

## How to search by **Street Address (Address Range)**:

- Click on **Street Address**.
- For **Direction**, click on the pull down arrow and select the appropriate street direction from the list.
- Click in the box for **Street Name** and enter only the street name (**required**). Do not enter street type, like Lane, Circle, Drive, Road, etc.
- For **City**, determine whether you want to limit the search to a particular city or search all cities. For a particular city, click on the pull down arrow and select the city name from the list of cities.
- Click in the **From** box and type in the starting address number.
- Click in the **To** box and type in the ending address number.
- Click on the **Search** button.

The screenshot shows the Dallas Central Appraisal District website. The main heading is "Find Property By Street Address". Below this, there are search filters for "Address Number", "Direction", "Street Name", "City", and "Account Type". The "Street Name" field is filled with "INDIAN CREEK". The "City" dropdown is set to "[ALL]". The "Account Type" section has checkboxes for "RESIDENTIAL", "COMMERCIAL", and "BPP", all of which are checked. Below the search filters is an "Address Number Range Search" section with "From" and "To" fields, both containing "1300" and "1400" respectively. A "Hints" section provides instructions on how to use the search fields. At the bottom, a table displays search results for properties on Indian Creek Drive in Desoto.
